REGISTRATION FEE 2011/2012 SEASON

As you will know, an EGM was held at the Pavilion on Wednesday 15th June 2011. Managers and coaches were asked to ensure that all parents/guardians were advised of this event and it was also announced on our club website in advance. The turnout was very disappointing; however key decisions had to be made in advance of registration for the 2011/12 season.

Options for registration for the upcoming season were discussed and put to the vote. A key decision, decided by majority vote, which you will need to be aware of is the introduction of a £12 registration fee for ALL City Colts players for the upcoming season. The Club has not increased monthly subs in the last 5 years despite rising costs associated with the running of the Club.

Please be aware that you will be asked by your team managers for this prior to registering your child with City Colts in July this year.

Kind regards
CCFC Committee
